

Life Changing Leadership Development Programme

Develop first class leadership and management skills on this truly extraordinary eight-day residential course.

Overview

Great leaders create a sense of excitement about the job in hand and galvanise teams to achieve outstanding results. On this Life Changing Leadership Development programme, managers will learn to do just that. Suited to senior managers and leaders, this residential course is indeed life changing. With four modules taking two days each, the course is spread over four months with an overnight stay on each module. It's immersive and intense.

Fully accredited by the CPD and the Institute of Leadership and Management, delegates will receive an ILM Level 5 qualification.

Key Outcomes

During this concise qualification managers will develop leadership confidence as they learn how to:-

- Form inspirational business vision and turn this into a robust strategic plan
- Adopt a range of leadership styles and lead with courage to inspire belief
- Engage and motivate employees and establish a performance culture
- Reflect on application of learning and plan practical business growth

Course Outline

- Visionary Strategic Planning (Module One)
- Fearless Leadership (Module Two)
- Brilliant People Management (Module Three)
- Practical Business Growth (Module Four)

Working in partnership with

This course really is life-changing leadership in action. I was presented with the tools to ensure myself and my organisation could handle the changes needed to take us to the next steps. As a public sector leader, with constrained finances, the value realised through investing in the Life-Changing Leadership Programme has been striking.
