

SUPPORTING YOU BACK INTO WORK OR TRAINING

Your journey back to work starts here.

Feeling low or anxious about finding a job? We can help you gain the confidence to get back into employment.

WHAT IS HEADSUP?

There are many reasons why people have time out of work including unemployment, raising a family or caring for loved ones. It's common to need help when the time comes to thinking about looking for a job or starting a training course and HeadsUp can provide just that! We offer a free programme of peer support and practical advice to people in Essex who may have experienced feelings of anxiety and depression, stress or maybe a lack of confidence.

OUR SUPPORT

You can work with one of our Peer Support Workers (someone who has been in your shoes and has found their way back to work) to talk about how you are feeling, your personal goals and the steps that you need to take to move forward towards employment, training or a jobsearch. They will support you every step of the way at a pace that suits you.

PRACTICAL HELP

Your Peer Support Worker can help you to improve your practical job seeking skills such as writing a great CV or practising interview techniques. We can arrange for you to informally meet local employers to learn some 'top tips' and have the chance to ask questions - we can even help you to find volunteering or work experience opportunities and ultimately a training course or job.

BOOST YOUR CONFIDENCE

When you are ready you can attend our workshops. Each offers a different focus and covers things such as exploring emotional obstacles to finding a job, including exploration of anxiety, lack of self-confidence and negative thought patterns. Through different discussions and activities, we can help you to boost your confidence, take charge of your well-being and learn tricks to increase your personal resilience.

WE'LL HELP YOU FIND A BRIGHTER FUTURE.

To get in touch with your local team simply find the number on the map closest to where you live and call the relevant telephone number on the right-hand side of the map. Or, just contact the central team on the number/email at the bottom of the page and we'll help you find the right person.
